This is a publication of the University of Maryland Summer Sessions. Provisions of this publication are not to be regarded as an irrevocable contract between the student and the University of Maryland. While every effort is made to provide the most current and accurate information, at times, regulations, academic requirements, fees and class scheduling may change without notice.

The University of Maryland does not discriminate on the basis of race, color, religion, national origin, sex, age or handicap in admission or access to or treatment or employment in its programs and activities as required by federal and state laws and regulations.

Introduction to Summer Sessions 2003

Summer at Maryland is *Big As Life!*

Welcome to Summer Sessions 2003 at the University of Maryland. With more than 1,700 undergraduate and graduate classes offered in six convenient sessions, Summer Sessions 2003 provides a world of opportunities and services that you would expect to find at one of the nation's top public research universities. It's all here for you to explore and enjoy.

You don't have to be a University of Maryland student to take advantage of Summer Sessions 2003. Course registration is open to students and graduates from other colleges, students and graduates from high school, senior citizens... simply put, we're here for you. So if you've always wanted to study at the University of Maryland, now is the time!

Undergraduate and graduate classes are taught by University of Maryland faculty, and follow the same rigorous standards as courses offered during the regular semester.

You'll find complete course listings in this schedule for all of our summer programs. For more details on summer programs at Maryland, visit our summer Web site at www.summer.umd.edu. You can browse program and course listings, check out our campus services and get complete information on admission requirements and tuition. You can even apply and register for classes online.

Highlights for Summer Sessions 2003

Course Highlights

We invite you to browse our special courses, workshops and institutes offered this summer at www.summer.umd.edu/ highlights. You will find an exciting array of summer offerings provided by the Departments of Psychology, Philosophy and English to name a few.

YOUNG SCHOLARS PROGRAM

The exciting Young Scholars Program allows high school students who have completed their sophomore or junior year (rising juniors and seniors) to take a university class during the summer. It's a great way to become adjusted to campus life, test academic interests and jump-start your college career. The Young Scholars Program runs July 13–August 1.

YSP COURSES INCLUDE:

- ARCH 150** Introduction to Architecture: Discovering Architecture
- ARHU 298D** Digital Directions: Arts, Humanities and Technology
- BSCI 279K** Modern Biology—The Science Behind the Headlines
- CLAS 100** Diversity and the Ancient World
- DANC 199** Practicum in Choreography, Production and Performance
- EDUC 289A** 21st Century Learning Environments: Students, Learning and Technology
- ENGL 294** Introduction to Creative Writing
- GEOG 398** Satellites, Technology and Global Change
- GVPT 289A** International Political Relations (ICONS)
- KNES 289M** Introduction to Kinesiology: Discover Kinesiology
- THET 291** "Is Anyone Still in the Mainstream?": Contemporary American Theatre from Salesman to Rent

Check the summer Web site at www.summer.umd.edu/ youngscholars to get complete information about the program. But don't delay, applications are now being accepted through May 15 and classes are expected to fill quickly!

INTENSIVE ARABIC

Immerse yourself in Arabic with our eight-week intensive language program offered June 23–August 22. Successful completion means 12 semester hours of college credit, satisfying the language requirement (for non-native speakers of the language) at many colleges and universities, including Maryland. Enrollment is open to advanced high school students, college students, professionals and members of the community. Prior knowledge of Arabic is not essential. The program begins with the introductory level of language (e.g., 101) and goes through intermediate level courses (e.g., 201). Learning takes place in a student-centered environment where the language is taught intensively and where students receive individual attention. To learn more, visit www.summer.umd.edu/arabic.

OPPORTUNITIES FOR EDUCATORS

Public and private school teachers and administrators will also find many professional development courses and institutes offered on the College Park campus this summer. Specifically designed for educators, these courses and institutes offer you the opportunity to immerse yourselves in courses that focus on music, dance, theatre, the visual arts, the Renaissance, Latin American studies and more. Most offer educators the opportunity to earn three graduate level credits. Visit www.summer.umd.edu/educators to find out about these courses and institutes and how you can register.

SUMMER AT THE UNIVERSITIES AT SHADY GROVE

Want to take classes this summer but don't want to commute to College Park? The University of Maryland is offering junior- and senior-level credit courses at The Universities at Shady Grove (USG) in Rockville. They're all taught by College Park faculty using the same high quality curriculum taught at the home campus. Courses are open to current and visiting students. Turn to the summer course listing section of this guide to find a listing of courses offered. For a more complete listing of University of Maryland courses offered at USG, visit www.summer.umd.edu/schedule/usg.html.

STUDY ABROAD

Maryland is all over the world this summer. Examine the contemporary aspects of Ghanaian society in West Africa. Study law, politics and Shakespeare in England and architecture in Paris. Visit the university's study abroad summer Web site at www.summer.umd.edu/studyabroad.

INTERNATIONAL PROGRAMS

The University of Maryland Summer Sessions welcomes international students currently enrolled in other U.S. colleges and universities, as well as students from abroad. International students with questions concerning eligibility to attend the University of Maryland Summer Sessions should contact the Office of International Education Services at 301-314-7740. Students are required to submit a complete application by May 15 to allow sufficient time for processing prior to the start of summer sessions. Check the summer Web site at www.summer.umd.edu/international to get complete information about the program.

The Maryland English Institute (MEI) provides both full-time and short-term programs in English for non-native speakers of English. MEI is dedicated to providing high-quality instruction, meeting the needs of non-native speakers of English and their sponsors and strengthening the ability of non-native speakers of English to participate in rigorous professional and academic environments. Visit www.summer.umd.edu/international to learn more about the Maryland English Institute.

ARTS AND COMMUNITY

This summer, the University of Maryland offers several arts events as well as a wealth of programs for children, senior citizens and families. The world class Clarice Smith Performing Arts Center (CSPAC) will host the National Orchestral Institute and the William Kapell International Competition and Festival. Seniors will find classes and activities that should pique your interests. Families can take advantage of the university's highly regarded programs that target development, hearing and speech and family services. Visit to find out about the special events and community programs on campus and how you can get involved.

Programs for Youth

Everything you need for a fun-filled summer is right here. The University of Maryland offers fun and learning for children of all ages. Whether it's shooting a three-pointer, finding out that physics can be fun or writing a headline for a student newspaper, a full range of activities to engage the interest of any child is available this summer. All of our instructors are fully qualified and many classes use the university's state-of-the-art sports, education and physical activity facilities.

Registration and Bill Payment

Single Point of Contact (SPOC)

SPOC, the Single Point Of Contact, is a one-stop shop for students seeking information about or wishing to enroll in Summer Sessions 2003. SPOC has representatives or ombudspersons representing all the service sectors of campus: admission (undergraduate and graduate), registrar, bursar, academic departments, parking, student ID and residency. SPOC, centrally located and handicapped accessible, is in Mitchell Building, first floor. SPOC is open 8:30 a.m.–4:30 p.m., Monday–Friday.

SPOC is also a virtual office for those inquiring, applying, registering or paying on the Web, see www.summer.umd.edu. Each step in the admission/registration/payment process will be quickly and formally recognized by a confirmation—either by e-mail, fax or surface mail. All the appropriate forms for admission, registration, housing, parking and bill estimation are on this Web site. Our goal is to be the most student-centered, user-friendly institution in higher education. If you have a question or concern, SPOC has the answer, a solution or a recommendation.

Step-by-step Application and Registration Process

We try our best to make your summer experience as care-free as possible, so we've mapped out a full list of everything you need to know about application, registration, bill payment, academic calendars, academic credit and policies. You'll find complete information in a concise, easy to understand and readily available section of our Web site. www.summer.umd.edu/application.

Follow these eight steps that will lead you through application, registration and beyond for Summer Sessions 2003.

STEP 1 — DETERMINE YOUR ELIGIBILITY

The application process is quick and easy. If you fit into one of the categories below, apply to the University of Maryland for summer courses.

You are eligible to apply if you fit into one of the following groups

Undergraduate, International	\$65
Graduate, U.S. Citizen	\$50
Graduate, International	\$50

In-state Status for Admission and Tuition

You may review the USM "Policy on Student Classification for Admission Tuition and Charge-Differential Purposes," visit www.inform.umd.edu/PRES/policies/viii270.html. To determine your eligibility to pay tuition at the in-state rate, complete the Residency Questionnaire section of the undergraduate application for admission or the Residency Questionnaire of the graduate application for admission, whichever form is applicable.

The deadline for meeting all requirements for in-state status and for submitting all documents for classification for Summer Sessions 2003 is the last day of schedule adjustment for the appropriate session:

June 6	Session I
June 4	Session I-A
June 25	Session I-B
July 18	Session II
July 16	Session II-C
August 6	Session II-D

Deadline for Applying for Admission

	Via mail or fax:	Via Web or in person
Session I and I-A	May 23	May 30
Session I-B	June 13	June 20
Session II and II-C	July 3	July 11
Session II-D	July 25	August 1

STEP 2 — FORMS**Application for admission**

Complete the applicable forms found in the forms section of this guide or visit www.summer.umd.edu/forms to access the forms online.

Forms included in this guide

- Visiting Undergraduate Summer Student Application 2003
- Visiting Graduate and Advanced Special Student Summer Student Application 2003
- Summer Course Registration Form
- Estimated Billing Form
- Permission to Transfer Credit Form
- Registering through MARS Worksheet

Once You are Admitted

An e-mail/surface mail acknowledgement will be sent. Once you receive this acknowledgement, you will be eligible to register for courses. Please keep your personal contact information up to date. Students may update personal information via the Web at www.testudo.umd.edu/apps/saddr, by fax at 301-314-1282 or mail to Office of the Registrar, University of Maryland, 1108 Mitchell Building, College Park, MD 20742.

STEP 3 — REGISTER FOR COURSES**How to Register**

There are four ways to register for summer courses. Apply first if you are not a current University of Maryland student.

- (1) Register on the Web at www.testudo.umd.edu/apps/dropadd
- (2) Call MARS, the Maryland Automated Registration System, at 301-403-0500
- (3) In writing, using the Summer Course Registration form found in the forms section of this guide; via mail: SPOC, University of Maryland, Mitchell Building, First Floor, College Park, MD 20742, or fax: 301-314-1282
- (4) Register in person at the Office of the Registrar, Mitchell Building, First Floor, Monday–Friday, 8:30 a.m.–4:30 p.m.

Deadlines for registration without \$20 late fee

Session I and I-A ends May 30
 Session I-B ends June 20
 Session II and II-C ends July 11
 Session II-D ends August 1

PLEASE NOTE

Registration is not official until payment is made in full. If you register and later decide not to attend the university, you must cancel your registration in writing to SPOC prior to the first day of the semester. Some students may be blocked from registering, including those with an outstanding debt.

After Registration

To determine the amount you owe, complete the Estimated Billing form found in the forms section of this guide or visit www.summer.umd.edu/SPOC. Click on "Estimate Your Summer Bill".

If you want to change your schedule, you can add/drop using the four methods above. Students must make necessary schedule adjustments in accordance with university deadlines. Go to www.summer.umd.edu and click on Schedule of Classes for class locations; waitlist.

The schedule adjustment period ends June 6 for Summer Session I, June 4 for Summer Session I-A, June 25 for Summer Session I-B, July 18 for Summer Session II, July 16 for Summer Session II-C and August 6 for Summer Session II-D.

Questions? E-mail SPOC at summer@umail.umd.edu, or call 1-877-989-SPOC or 301-314-3572.

Cancellation of Summer Session Registration

Students who register and later decide not to attend the university must cancel their registration in writing before the first day of the semester. Beginning on the first day of the term, this is considered a withdrawal and a percentage of tuition is assessed. Failure to cancel registration will result in financial obligation to the university even though the student does not attend class. Request for cancellation must be received by SPOC in writing before the first day of the term.

STEP 4 — SUBMIT PAYMENT**Pay via**

Web: www.summer.umd.edu. Click on SPOC, then Pay Your Bill Online

Phone: 301-314-9000 or 1-888-313-2404

Fax: 301-314-9098 (Bursar)

Mail: Office of the Bursar, 1135 Lee Building, College Park, MD 20742

In person: 1115 Lee Building

For additional information regarding payment procedures and deadlines, please visit the billing and payment section of this guide.

STEP 5 — PURCHASE TEXTBOOKS

Check www.summer.umd.edu/schedule to see what books you need. Locate the course and then click on the books link. You can purchase your books at the University Book Center in the Student Union, at the Maryland Book Exchange, an online vendor (e.g., varsitybooks.com) or any other textbook vendor. Book information will be available on or after May 15, 2003.

STEP 6 — RECEIVE ID CARD

ID cards will be mailed to students registering prior to Saturday, May 10. Students registering after that date may receive a summer ID card by visiting the Office of Registrar customer service counter on the first floor of the Mitchell Building.

STEP 7 — PURCHASE PARKING PERMIT

Apply online for a parking permit at www.summer.umd.edu/forms. If you do not receive your permit by mail prior to the start of your course(s), you may take a photo ID to the Department of Transportation Services in Regents Drive Garage, off Campus Drive.

STEP 8 — ATTEND CLASS!

For building locations, please see the campus map section of this guide.

Billing and Payment**WHEN TO PAY**

Upon registering you incur a financial obligation to the University of Maryland. Billing reminders will be sent via e-mail. Please make sure the Office of the Registrar has a current e-mail address on file. You can update your contact information at www.testudo.umd.edu/apps/saddr or fax the change to 301-314-1282. Each billing reminder will include a payment deadline. Failure to make payment by the deadline will result in a financial charge of 1.5 percent per month and may result in cancellation of your registration. Your account balance is updated daily for online viewing at www.testudo.umd.edu/apps/saracct.

Bill payment due dates are determined by the date of a student's initial registration. Drop/add activity after a student's initial registration will not result in a new payment deadline. Please use the following chart to determine when summer 2003 tuition and fees are due:

Registered	Bill Due
February 24–March 25	April 21
March 26–April 25	May 20
April 26–May 25	June 20 or the first day of classes, whichever comes first
May 26–June 25	July 21 or the first day of classes, whichever comes first
June 26–July 5	August 1 or the first day of classes, whichever comes first
After July 5	August 6 or the first day of classes, whichever comes first

Financial Eligibility

Students who register for Summer Sessions 2003 are expected to remain financially eligible. Once registered, it is the student's responsibility to make payment by the appropriate due date. Failure to make payment by the due date will result in a finance charge and may jeopardize your continued enrollment. Students who decide not to attend must notify the Office of the Registrar to request cancellation of enrollment by appropriate deadlines to avoid charges for summer courses. Failure to attend does not remove the financial obligation incurred with registration.

Tuition and Fees**Tuition Rates**

Undergraduate, Maryland resident\$219 per credit hour
 Undergraduate, out-of-state.....\$360 per credit hour
 Graduate, Maryland resident\$349 per credit hour
 Graduate, out-of-state.....\$480 per credit hour

Mandatory Service Fee*\$160 per session

Mandatory fees pay for summer support services including campus facilities use and maintenance, health services, recreation center, shuttle bus, libraries, police, Center for Learning and Educational Technology, Writing Center, computer usage (Unix and workstation labs), language labs and disability support services.

*Mandatory fees will be assessed one time for courses taken within each of the two, six-week summer sessions. (If a student registers for one course in a six-week summer session and another course in a three-week session that falls within that six-week session, they will pay the mandatory fee only one time).

Mandatory Service Fee at the Universities at Shady Grove.....\$100 per session.

Visit www.summer.umd.edu/tuition for a complete list of summer tuition and fees.

How to Pay

Pay your bill by credit card (Visa, MasterCard or Discover), by check or money order (payable to the University of Maryland for the exact amount due; write your student ID number on all checks and money orders) using one of the methods below.

- On the Web:** using a credit card or online check www.umd.edu/bursar. Click on the blue box to pay your bill online.
- By fax:** When paying by credit card, you may fax your payment to the Bursar's Office at 301-314-9098.
- By mail:** Pay by check or money order or provide the requested credit card information (name on card, card number, expiration date). Send your payment to:
 Office of the Bursar
 Lee Building
 University of Maryland
 College Park, MD 20742-5151
- In person:** Pay in the Bursar's Office, Room 1115 Lee Building. Payment may be made by cash, check, money order or credit card. The Bursar's Office is open Monday–Friday, 8:30 a.m.–4:30 p.m.

Other Payment Information**LATE PAYMENT FEE:**

Students who fail to pay the balance due on their account are subject to a 1.5 percent finance charge each month. A finance charge of 1.5 percent will be added to all accounts that have not been paid by the payment due date displayed on the bill.

DELINQUENT ACCOUNTS:

You will not be able to register unless you are in good financial standing with the university. Students are encouraged to

avoid registration delays by assuring that charges for library fines, parking violation assessments and other penalty fees and service charges, are paid in full.

Upon registering, you incur a financial obligation. Failure to make payment by the due date will result in a finance charge and may jeopardize your continued enrollment. In accordance with state law, the university must refer delinquent accounts to the State Central Collections Unit in Baltimore for collection and legal follow-up. Collection charges will be billed to the student. Collection costs are 17 percent of the bill, plus any attorney and/or court fees. Maryland law allows the Central Collections Unit to block issuance of Maryland state income tax refunds to individuals with delinquent accounts. In addition, State of Maryland policy stipulates that unpaid parking tickets issued on state property could result in the withholding of motor vehicle tags until tickets are paid. The university will not confer any diplomas or certificates or issue a transcript of record to a student who has not made satisfactory settlement on her or his account.

SUMMER FINANCIAL AID

Summer financial aid usually cannot be released until after summer tuition and fees are due, so summer aid serves as a reimbursement to you. In general, summer financial aid is very limited. The university does not receive separate allocations of grant, work-study or loan funds from the federal or state governments for summer financial aid. To be eligible for any summer financial aid, you must register for at least six credits or 24 graduate units.

If you have not used all of your Pell Grant or Stafford Loan eligibility from the 2002–2003 school year, you may be eligible to receive your remaining eligibility during the summer.

To request summer financial aid, you must have submitted a 2002–2003 Free Application for Federal Student Aid (FAFSA) and all other requested documents to the Office of Student Financial Aid (OSFA). Once you have registered for summer, your eligibility for financial aid will be determined and OSFA will mail a summer financial aid notification to you.

If you have any questions about summer billing or financial aid, please contact the Financial Service Center at billtalk@accmail.umd.edu, or 301-314-9000 or 1-888-313-2404.

REFUNDS

The university does not automatically refund a credit balance. A refund should be requested. All payments made by

cash or check will be refunded by check and mailed. Payments made by credit card will be refunded by crediting the same account that was originally charged. Refunds will usually be received by the student within two to three weeks from receipt of the refund request. Checks will be made payable to the student and sent to the local and/or permanent address. They will not be mailed to a campus address.

Summer mandatory fees will be refunded at the same percentage as tuition refunds. Tuition refunds and the percentage of tuition that will be credited upon withdrawal from courses or dropping a course or courses are listed in the refund schedule below. Withdrawals from workshops or institutes must be made prior to the first meeting in order to receive a refund. After the first meeting, there will be no refund.

To request a refund:

In writing—by mail, fax or e-mail: send a letter requesting a refund to:

Office of the Bursar
Lee Building
University of Maryland
College Park, MD 20742-5151
Fax: 301-314-9098
billtalk@accmail.umd.edu

In person: complete a Request for Refund Form in the Financial Service Center, 1135 Lee Building.

Detailed registration and bill payment information can be found online at www.summer.umd.edu. It is the student's responsibility to review the information and make sure all procedures are followed.

GRADES

Grades for Session I and Session II will be available approximately one week after the end of each session. Sessions I-A and I-B grades will be available at the same time as Session I grades (approximately July 17) and Sessions II-C and II-D grades will be available at the same time as Session II grades (approximately August 28). Grades for non-standard courses ending after the regular session in which they begin will be posted once they are available. Students desiring official notification of grades should request an official transcript. You can also access your grades via the Web at www.testudo.umd.edu/apps/grades/ or by phone at MARS (301-403-0500). Grade reports are not automatically mailed. A grade report can be requested via the Web or MARS.

Academic Credit and Policies

The semester hour is the unit of credit. During summer sessions, a three-credit course may meet five times a week for six weeks, with each class period meeting for 80 minutes. Courses that meet two or three times a week will have longer class sessions.

University of Maryland, College Park students who are pursuing a degree will be given credit toward the appropriate degree for satisfactory completion of summer courses. Each student is responsible for determining the applicability of courses selected to the degree program and is urged to consult with her or his academic advisor.

All students enrolled for credit will receive an official grade for each course.

ACADEMIC POLICIES

Academic Dishonesty

Academic dishonesty is a serious offense that may result in suspension or expulsion from the university. The normal sanction for academic dishonesty is a grade of XF, denoting "failure due to academic dishonesty," recorded on the student's transcript.

Audit

A student may register to audit a course or courses in which space is available. Tuition and fees are the same as when taken for credit. The notation "AUD" is placed on the transcript for each course audited. Courses taken for audit are not included in the calculation of full-/part-time status.

Pass-Fail Option

Undergraduate students who have completed 30 or more semester hours with a GPA of at least 2.0 (15 of which must have been completed at the University of Maryland, College Park with a GPA of at least 2.0) may register on a pass-fail basis if the course offers a pass-fail option.

The course must be elective to the student's program and not used to meet general education requirements, major requirements or gateway requirements for admission to limited enrollment programs or when re-registering for a course. Only one course per semester or summer session may be taken pass-fail. (No more than 12 semester hours of credit may be taken as pass-fail during a student's college career.) For further information on the pass-fail option, see the undergraduate catalog.

The pass-fail grading system is a grading option for undergraduates only. However, a graduate program may, in certain cases, allow a graduate student to use the pass-fail option for any 100–300 level courses that a student takes. Graduate credit may not be earned for these courses. For further information on the pass-fail option, see the graduate catalog.

Code of Academic Integrity:

All students are expected to adhere to the provisions of the Code of Academic Integrity, as set forth in the undergraduate and graduate catalogs. Copies of the code may be obtained from the Student Honor Council in the Mitchell Building, room 2118. Call 301-314-8450 for more information.

Degree Candidates

All students who expect to complete requirements for degrees during the summer should complete an application for graduation. Applications should be filed with the Registrar's Office no later than Friday, July 18 for degrees to be awarded as of August 22, 2003. Students may apply on the Web at www.testudo.umd.edu or in person in the Mitchell Building, first floor. August graduates are invited to participate in the commencement ceremonies in December and will be included in that commencement program.

Final Examination

All final examinations must be held on the last day of classes of each summer session. No final examination shall be given at a time other than the last day of classes without the permission of the department chair.

A final examination will be given in every undergraduate course. Exceptions may be made with the written approval of the chair of the department and the dean.

Full-time Status

Courses taken for audit are not included in the calculation of full-time status.

For undergraduate students, enrollment in courses totaling six semester hours of academic credit will be defined as full-time status for one six-week summer session. For undergraduate students, enrollment in courses totaling three semester hours of academic credit will be defined as full-time status for one three-week accelerated summer session. Enrollment in six semester hours of academic credit in each of the two summer sessions will be defined as full-time enrollment for the summer. Students receiving financial aid and/or VA benefits should check with appropriate offices to determine full-time status.

Students enrolled in UMEI 001–004 are considered full time. For graduate students, enrollment in academic credit totaling 24 graduate units will be defined as full-time enrollment for one summer session.

Academic credit totaling 24 graduate units in each of the two summer sessions will be defined as full-time enrollment for the summer:

Course Number Graduate Unit

000–399.....	2 units per credit hour
400–499.....	4 units per credit hour
500–599.....	5 units per credit hour
600–898.....	6 units per credit hour
799.....	12 units per credit hour
899.....	18 units per credit hour
UMEI 005.....	6 units per credit hour
UMEI 006.....	2 units per credit hour
UMEI 007.....	4 units per credit hour
UMEI 008.....	2 units per credit hour

Maximum Load

Undergraduate students may not enroll for more than eight hours of academic credit in Summer Sessions I and I-A or I-B combined, or Summer Sessions II and II-C or II-D combined. Students may only register for one course (four credits) for Summer Sessions I-A, I-B, II-C or II-D. Normally, grad-

uate students should not enroll for more than six semester hours in one summer session. Course loads exceeding these maximums require approval of the college dean. Visiting undergraduate students who wish to request exceptions must contact SPOC.

Protection of Privacy:

The University of Maryland adheres to a policy of compliance with the Family Educational Rights and Privacy Act (Buckley Amendment). As such, it is the policy of the university: (1) to permit students to inspect their education records; (2) to limit disclosure to others of personally identifiable information from education records without students' prior written consent; (3) to provide students the opportunity to seek correction of their education records, where appropriate. A complete statement of the university policy and procedures is contained in the undergraduate and graduate catalogs.

Withdrawal from the University

Students who wish to terminate their registration (withdraw from all courses for which they are registered) either on or after the first day of classes must formally withdraw. This applies to all students regardless of the number of courses or credits for which they are registered. Withdrawals are recorded on a student's academic transcript. [Please note that if you are only registered for one summer session course and choose to drop it after classes begin, this is a withdrawal from the university and will be recorded on the academic transcript.] To withdraw from a summer session(s), complete a withdrawal form, available in the Office of the Registrar, first floor, Mitchell Building, or fax your letter of withdrawal to 301-314-9568. Withdrawal is effective on the date the form is filed with the Office of the Registrar. Degree-seeking students at the University of Maryland may wish to consult the new withdrawal policy at www.testudo.umd.edu/soc/absence.html. Note that withdrawals from workshops or institutes must be made prior to the first meeting in order to receive a refund.

Dropping a Single Course

Students who are registered for more than one course per summer session and wish to drop one of their courses, are subject to a different refund schedule than students seeking to withdraw from all of their courses. To drop a course and receive a 100% refund, the drop must be processed prior to the first day of classes. Drops occurring the first day of classes and after are subject to the following refund schedule.

Last day to drop a single course with a 70% refund

Summer Session I.....	June 6

Summer Session II-D.....	August 6

Course drops occurring after the deadline dates above are not eligible to receive refunds.

Students who are registered for more than one course and wish to drop a course without a "W" grade notation, may do so during the schedule adjustment period appropriate for each summer term. Students who are registered for more than one course and wish to drop a course may do so with a "W" grade notation on their transcript until the following dates.

Last day to drop a single course with a "W"

Summer Session I.....	June 27
Summer Session IA.....	June 12
Summer Session IB.....	July 3
Summer Session II.....	August 8
Summer Session II-C.....	July 24
Summer Session II-D.....	August 14

Please note: If you are only registered for one course and choose to drop it after classes begin, this is a withdrawal from the university and will be recorded on your academic transcript.

ON-CAMPUS HOUSING

The Summer 2003 Residence Halls Agreement will be available March 3, 2003. The agreement can be submitted online at www.resnet.umd.edu/summer, or can be downloaded and submitted by mail to the Office of the Bursar, Lee Building, College Park, MD 20742 or by fax to 301-314-9750. Students whose Summer 2003 Residence Halls Agreement forms are received by April 11, 2003 are eligible for the lottery through which all single rooms are assigned. Agreements received after April 11 will be assigned in their date-received order until all available rooms have been filled; no guarantee of housing by the first day of classes is made for agreements received after April 11, 2003.

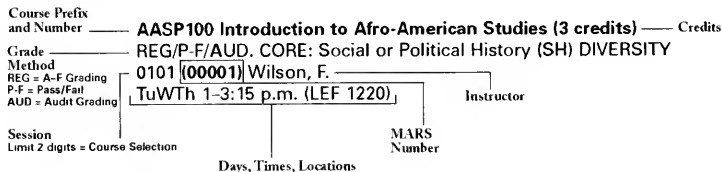

Summer Course Listings

Guidelines for 2003 Selection

The session for which a specific course section is scheduled is designated by the first two digits of the section number: 01 for Summer Session I, 02 for Summer Session II, 03 for Summer Session I-A, 04 for Summer Session II-C, 05 for Summer Session I-B and 06 for Summer Session II-D. Many courses are offered in two or more of the summer sessions. If the course or section meeting dates deviate from the regular summer session dates, the specific starting and ending dates are displayed below each section designation. The section number indicates the session to which a nonstandard course or section belongs for registration purposes. Additional information on nonstandard date courses can be found on www.summer.umd.edu/schedule. In many instances, registration, billing and grading procedures will be different for those courses.

 CORE: Literature (HL)

Students will investigate issues of race and difference in the ancient world by comparing texts of the ancient world to those of our own period. Students will learn how diversity was understood and represented in the ancient world—Greek and Roman cultures—and investigate how popular entertainment enforces our own attitudes toward difference. This is a Young Scholars Program course. Enrollment by permission only. Please contact SPOC for further information at summer@umail.umd.edu.

EDUC289A 21st Century Learning Environments: Students, Learning and Technology (3 credits) REG/P-F/AUD.

Students will explore and expand their knowledge of essential 21st century skills — technology fluency and applications, team building, collaboration tools and problem based critical thinking. Students will learn technology applications essential to college success, as well as opportunities to investigate career possibilities that utilize technology. This is a Young Scholars Program course. Enrollment by permission only. Please contact SPOC for further information at summer@umail.umd.edu.

Global environmental change is one of the most pressing international concerns of the 21st century. Everyone is affected by changes in the Earth's atmosphere, population growth and its effect on land use and natural resources, and how these affect life. This course will examine global changes in the environment by using satellite data and technology associated with information systems. Using real data from satellites and computerized Geographic Information Systems (GIS), young scholars will be given the opportunity to work on research projects examining global change. This is a Young Scholars Program course. Enrollment by permission only. Please contact SPOC for further information at summer@umail.umd.edu.

GVPT409A Seminar in International Relations and World Politics: Negotiations, Decision Making and Political Simulations (3 credits) REG/P-F/AUD.

This course will explore the use of simulations for the study of negotiation and decision-making and international relations theories of conflict and cooperation. This class will design, beta-test and analyze scenarios and simulations that explore these two topics. The students will have the opportunity to do original work in these areas and experience a very hands-on approach to the study of international relations. The course is designed for students who have taken previous classes in international relations and would like to explore issues further (but such courses are not a prerequisite).

PHIL308C Studies in Contemporary Philosophy: Philosophy in Film (3 credits) REG/P-F/AUD.

A night at the movies is supposed to be a reprieve from intellectual inquiry. But if there is little difficulty keeping our inquiries out of the movie house, the same cannot be said for keeping movies out of the classroom. Some movies are far too useful to ignore when it comes to illuminating philosophical dilemmas or bringing certain philosophical questions into relief. The primary purpose of this class is to introduce students to a handful of topics central to different areas of philosophy. We will consider such questions as: what counts as knowledge? When (if ever) is a scientific hypothesis confirmed? Why be moral? Could machines ever be conscious? Films will provide the entry point into such questions, followed by the work of philosophers and their attempts to settle them. Students are not expected to have had previous exposure to technical philosophy.

PHIL308R Studies in Contemporary Philosophy: The**Aesthetics of Rock Music (3 credits) REG/P-F/AUD.**

Media critic Mark Crispin Miller said that "all rock aspires to the condition of Muzak." We'll evaluate this and other claims about the art status of rock music. We'll explore general views about rock music as an object of critical attention. Our goal is to add to and clarify our concepts for making sense of rock as an art form and of rock criticism. We will place rock within a broader artistic context. You will be introduced to various theories of art (e.g., theories of musical expression) as they pertain to rock. This course may also serve as an introduction to the philosophy of music.

PHIL308W Studies in Contemporary Philosophy: War,**Terrorism and Current U.S. Policy (3 credits) REG/P-F/AUD.**

In light of 9/11, Afghanistan, and the threat of war with Iraq, questions concerning the moral justifiability of warfare have taken on a new urgency. This course will introduce students to philosophical and theological discussions of Just War Theory and their application to current events. When is a state or a revolutionary movement justified in political violence? Is the administration's doctrine of preemptive attacks morally justifiable? Is terrorism ever morally justifiable? Can the use of weapons of mass destruction (nuclear, chemical or biological) be morally justified? Student participation in discussion of these questions will be central to the structure of the class.

HOW TO USE MARS

1. Select courses from the Web site. Note section number and INDEX NUMBER. The section number indicates during which summer session the course meets. Sections beginning with 01 meet during Summer Session I; those beginning with 02 during Summer Session II; those beginning with 03 during Summer Session I-A; those beginning with 04 during Summer Session II-C; those beginning with 05 during Summer Session I-B; and those beginning with 06 during Summer Session II-D. The five-digit INDEX NUMBER is located to the right of the section number in parentheses. The INDEX NUMBER is used to identify your course selection to MARS. Read course listings carefully. Some courses are "BY PERMISSION ONLY." These courses require departmental approval. Contact the department offering the course prior to registration.
2. Fill out the MARS Course Worksheet below with ACTION CODE and INDEX NUMBER information. ACTION CODES tell the computer what you want to do—for example, add, drop or list courses. ACTION CODES are listed under the course worksheet form.
3. Pay tuition and fees. Registration is not final until tuition and fees have been paid. See important payment information on the "Financials" section of the

Web site (www.summer.umd.edu). Failure to pay by the date specified on your bill may jeopardize your continued enrollment.

There may be periods of silence during your call to MARS. This is normal and occurs when information is being verified or processed. DO NOT HANG UP. Wait for the next set of instructions.

Accidental termination of call. If you are accidentally cut off from MARS before you complete your request, recall the system. You will be registered for transactions processed prior to termination.

Cancellation of Registration. See the "Application and Registration" section of www.summer.umd.edu for cancellation deadlines and information.

PIN – Personal Identification Number. PINs have been assigned to all eligible students. If you misplace, forget or feel the confidentiality of your PIN has been jeopardized, you can request a new number at the Registration Information Counter, first floor, Mitchell Building. You will need to provide photo identification.

Questions? Call (301) 314-8240.

WAITLISTING WITH MARS

See the "Application and Registration" section of www.summer.umd.edu.

TO REGISTER FOR COURSES, FOLLOW STEPS 1 – 8

1. Before processing your registration, fill in the boxes below, one course per line. Each course selection is identified in the Course Listing by a unique 5-digit INDEX NUMBER (to the right of the section number). Be prepared with alternate selections. Note that MARS will not allow you to register for courses which have conflicting meeting times.
2. Call MARS 301-403-0500 (from campus call 30500).
3. Select Registration Activities from the MARS main menu (Option 1).
4. Select Registration/Schedule Adjustment from the Registration Activities menu (Option 1).
5. Enter your student ID number (usually your Social Security number) _____ - _____ - _____
6. Enter your PIN (Personal Identification Number) _____
7. Add courses to your schedule by pressing 2, the INDEX NUMBER of the course and #.

ACTION COURSE	INDEX NUMBER	COURSE	SECTION	DAYS	TIMES
 2	_____	 #	_____	_____	_____
 2	_____	 #	_____	_____	_____
 2	_____	 #	_____	_____	_____
 2	_____	 #	_____	_____	_____
 2	_____	 #	_____	_____	_____
 2	_____	 #	_____	_____	_____

8. Press an additional # after entering all of your transactions. This # signals the computer to process your requests.

ACTION CODES FOR REGISTRATION/SCHEDULE ADJUSTMENT

Action Codes are accessed by pressing the corresponding button on the telephone keypad.
